

The fairyland is so magical, filled with colorful flowers, trees, houses, shops and a very big beautiful palace. Around the palace are green hills where the animals in the land live; the fairies feed on lots of candies, cakes, chocolates and sweets. They love these sweets very much and go crazy over them at any time. The favorite fairy shop in town is the Royal Candy Shoppe, where only the finest of sweets are created for the King and Queen, as well as all the fairies to enjoy. The fairies also gift people (human believers) who believe in fairy magic with lots of candy too. Not so long ago, a chocolate shortage was taking place within Fairyland and the human world. Let us tell you this story which is so amazing, that it now has a prominent place in all Fairy Storybooks.
